3. This contract contains a "Live Foal Guarantee." A live foal is described as a newborn foal which stands and nurses without assistance. If foal is born dead, there are return privileges for the 20\_\_\_\_ season only if Breeder is notified within ten days and receives A veterinarian's statement confirming death. If after being pronounced safe in foal, the mare should miscarry, abort, or prove barren after leaving Breeder's premises, Mare Owner has the privilege to return her for breeding during the current breeding season, February 1 through June 30, or the following year, 20\_\_\_\_.
4. A "Breeder's Certificate" will be issued for the foal, conceived by this mating, when stallion fee and all other expenses have been paid in full; and when mare has either, at Breeder's option, (a) been pronounced safe in foal, or (b) has produced a live foal by this mating.

6. It is further agreed that should the stallion die, be sold by the owner, or become unfit for service prior to settling the mare, that ALL of the breeding fee will be refunded with the exception of the booking, chute, collection, and transportation fees. If mare dies or becomes unfit to breed before being pronounced safe in foal, the Breeder has the option to either (a) accept another mare according to paragraphs 4 and 5, as a replacement, or (b) refund 50 % of the Breeding fee, if it has already been paid in full, thereby canceling this entire contract.

It is understood that any stallion providing stud service, owned by Bramblett Quarter Horses/Dave Williamson Equine, will be DNA tested and parentage verified as is required by AQHA.
